My best friends' talents
My friends and I are kind of a band. We have never played in front of a real audience and are definitely not perfectionists, but it's something we do together for fun.
I like to write songs and take pictures. Renaud is a pretty excellent guitar
player and Sofie loves to sing. Peter and Christoph are cousins and they like to "beat box", which is making drum sounds with your mouth!
I had never tried playing or writing music before I made friends with Sofie and
Renaud in class last year, but they liked a story I wrote in class and asked me if I wanted to make up a song with them. They were so cool and encouraging,
and I discovered something I might be talented at! Peter and Christoph heard us practicing after school one day.
We thought they were going to make fun of us – but they actually just wanted to join in!
