

## Unit 18 A day at the mall

### Task 06

Announcer: There is a fashion show at the mall!

Presenter: First we have Nadine on the cat-walk. She is wearing a lovely silk dress in gold and pink. The bodice has a lovely frilly detail on its plunging neckline. The skirt is cute with short, frilly layers in gold and pink, showing Nadine's legs off to perfection. She's wearing this with brown fringed boots.

Second out is Natalia. Her outfit is a stunner. A beautiful vision in bronzed gold, with a full skirt, transparent at the front, showing off Natalia's legs. The bodice is off the shoulder with cap sleeves. Wonderful for those who want to show their tanned shoulders!

Third is Melanie. Melanie is wearing a lovely simple tube mini-dress. Perfect for the day and the evening! The dress is a vibrant red, in a slightly shimmering material.

Finally, we have Silvia, and what a vision she is. This is a superb dress that reaches the floor. If you want to be the centre of attention at a party, this one is the dress for you! The dress is sleeveless, the bodice is tight around the waist, the skirt is fitted around the hips and comes out full just above the knees. This is definitely my favourite dress!
