2 Your own quiz

Test your classmates' general knowledge of great tunes, songs, pop singers, lyrics, bands and groups from the 20th and 21st century. By using the internet, create the quiz “How much do you know about music”? Swap your quizzes and find out who knows most about music.

Key:**Majority Answer a):**

You are crazy about rhythm. You work with music, go to bed with music. If it was possible, you would do everything with music. You like dancing and moving your body. Conclusion: your heart is a box full of rhythm.

Majority Answer b):

You like rhythm and when you listen to rap or groove, you want to start dancing. But you think that you aren't good at it. Don't think, just do it. Learn to play an instrument. Maybe you have hidden talents.

Majority Answer c):

You like music, but you can also live without it. You feel embarrassed when the others see you dancing. Give music a chance! Learn to feel the rhythm. Music can make you happy in every situation.
