

## Unit 23 Meeting and greeting

### Task 02

- Announcer: Breaking the ice. Look at Tom now! He certainly has scrubbed up. He looks very smart. So his boss has taken him to Milan to attend an important shirt supplier's presentation where he gets to know Brad and Sue from Bristol.
- Tom: Hello, do you mind if I join you? I'm Tom by the way. I'm from Austria. What about you?
- Brad: Nice meeting you, Tom. My name's Brad. This is Sue. We're both from Bristol. So, Tom, what company do you work for?
- Tom: I work for a shop called Forstner. We sell exclusive men's wear. What about you?
- Brad: I work for Messrs. Grabner, the company doing the presentation ... and Sue, here, she's my boss. I'm her assistant. We're both in marketing.
- Sue: Do you have a light, Tom? I'll just go and have a crafty cigarette outside.
- Tom: Sorry, Sue. I don't smoke.
- Brad: Could you pass me one of those sandwiches? Oh, and do you know where I can find the napkins?
- Tom: Yes, here you are. The food is delicious, isn't it?
- Brad: Yes, these sausage rolls are exquisite. You must try some.
