

Unit 9 – Communicating in the workshop

Task 02 – example:

Workshop rules

1. I must show up in working trousers and safety boots.
2. I don't need to bring additional safety equipment.
3. I have to listen carefully to the instructions. I should ask questions, if I'm not sure of what to do.
4. I must use hand tools and machine tools carefully.
5. I have to report any damage to the machines or equipment.
6. I must not use a machine without being authorized.
7. I have to clean the workshop after use.
