

Unit 1 – May I introduce myself

Task 01

Announcer: Listen to Hannah introduce herself to her English class.

Hannah: Hi, my name is Hannah and I'm from Rust. English is kind of hard for me. I wish I was better at it though because I think it's pretty important for working in business. I'm fifteen and I'm um ... a *Lehrling* ... an apprentice. I don't know the name of my job in English yet. I've been working at my company for a little while now, let's see, uh, four months. I work with customers and my boss gives me little *Aufgaben?* ... assignments so I can learn my way around the company. I like working a lot better than Middle School, though. My favourite subject was music, but I had a hard time reading the notes. I'm pretty good at ... uh ... improvising? though. That's when you make something up as you go along, and somehow it fits. So I guess that's me. Oh and my favourite food is *Kässpätzle*, that's like macaroni and cheese in English. But I like it with fried green onions. Yes ...
