

Basis: Wheat – large scale farming

1. Use your atlas. Fill in the numbers of the states.

Take a yellow pencil and colour the states in North America where lots of wheat is grown. Don't forget to colour the box in the key yellow.

US states where lots of wheat is grown

- 1 Kansas
- 2 Nebraska
- 3 North Dakota
- 4 Oklahoma
- 5 South Dakota
- 6 Texas

2. The pictures show how wheat goes from the field to the bakery to be made into bread. Use four colours. Join the pictures and the words together.
