

WARUM UND WIESO

DAS IST SONNENKLAR!

Das weiß ich jetzt:

A rectangular writing area with a decorative border of blue raindrops. The border is adorned with various summer-related icons: a yellow ring, a purple pencil sharpener, a green bucket, a pink ice cream cone, a blue boat, a pair of green scissors, and a blue mobile phone. The interior of the rectangle contains several horizontal lines for writing.

Das möchte ich mir besonders gut merken:

An oval-shaped writing area with a decorative border of blue wavy lines and small red boats. The interior of the oval contains several horizontal lines for writing.
