

# Unit 7 – Communicating on a practical work day

Task 10 – What might these people on the building site say?

Hey, I'm coming up!  
Do you need some help?

I need some more mortar, could you please get me some?

Where shall I put this material?

We do our best to meet the deadline!

Where did I put the portable circular saw?

Concrete is ready.  
Please go and find the wheel barrow!

You are behind the time schedule!  
Hurry up, please!
