Announcer: Listen to Michael's story.

Michael: Hi, my name is Michael. I started my _____ with Hard as Steel and Co. Ltd. three months ago. I always wanted to work in the _____. Even as a child, I loved to work with my hands and helped my grandfather in his _____. By ten years of age I could already do a welded joint perfectly! I'm extremely happy that my hobby is going to become my profession.

Hard as Steel and Co. Ltd is a _____. The company's _____ are in Vienna. It has many thousand _____ all over Europe and the Middle East. I like the company logo and every time I see it on building sites, I'm proud of being a part of this company.

At the moment, we're involved in an office building _____ project; quite modern with a lot of _____ parts and an impressive front made of glass. My company is planning, designing and installing the whole project. For the scaffolding we've hired an external company.

There are some nice _____ and other apprentices in my _____ and we sometimes have a lot of fun at work. Our _____ is often quite strict, but I guess, that's normal on a potentially dangerous _____.

My biggest dream is to be involved in the construction of a _____ in Dubai one day. I would love to work in a _____, where I would earn good money as well. Therefore, I'll have to improve my English skills. Let's hope my dream comes true, one day.
