

Unit 10 – Exteriors and interiors

Task 05

Announcer: Listen to Selina, Anna and Tarek: Where do they live?

Selina: Hi, I'm Selina! I live in a detached house with my parents, two brothers and a dog. Since we live in the country, we also have a big garden. This is where our 20 chickens have their home, too. I love to have fresh eggs. Our house has three floors. By the way, the chicken house has three floors, too! My room and my two brothers' rooms are in the attic. We are lucky to have our own bathroom. My parents' room is downstairs on the first floor. They also have a private bathroom. On the same floor, my mother has a study and next to it is the guest room. On the ground floor, there is a spacious living room, a kitchen, a storage room and a toilet. I love living in the country and having such a big house.

Victoria: My name is Victoria. I live with my dad and my two sisters. Our parents are divorced and live in different towns in Austria. We moved into a terraced house with a small garden only a year ago. My sisters and I each have our own room. Mine is on the second floor, while my sisters and my dad have their three small rooms on the first floor. We are very happy that we don't have to share rooms, since we are all quite different. Our bathroom is on the first floor. On the ground floor we have an open kitchen, a living room and a guest toilet. By the way, apart from the living room, my room is the biggest. Sometimes it is good to be the youngest member of the family.

Tarek: Hello, I'm Tarek and I have a really big family. I live in a big apartment house in the city, along with my grandparents, my parents, my two sisters and two brothers. Our apartment is on the third floor and has four rooms, a kitchen and a bathroom. I share a room with my two brothers. My sisters share a room, too. The third room belongs to my grandparents. My parents sleep on a comfortable sofa in the living room. I love my family, but sometimes it is a bit crowded in the morning, especially in the bathroom. At that time of the day, I envy my friend Thomas, who lives in a big designer villa with a huge loft style room on the ground floor, five more rooms on the first floor and three bathrooms. However, does he have as much fun as we have in our family? I wonder ...
