

## Human Teeth

Compare the milk teeth and the permanent teeth of a grown-up!

Colour the incisors yellow,  
the canines green,  
the premolars orange  
and the molars red.

Complete the table.

	milk teeth	permanent teeth
number of <b>incisors</b>		
number of <b>canines</b>		
number of <b>premolars</b>		
number of <b>molars</b>		
<b>total number of teeth</b>
