b) With a partner, Write two more questions including multiple choice answers to add to the test.

2 Reading: Christmas on a budget

a) Read the article "Christmas on a budget" and compile a list of tips for how to pass the Christmas season – or any festivity – without spending too much money. Concentrate on the following aspects:

- the right time for shopping
- self-made presents
- buying food
- presents that can't be bought

b) Design your list with a word processor and give it a nice look. Put it up in the classroom for everyone to read.

3 Internet research: Crafting tips

a) Run a quick internet research and find crafting tips for a present that you would like to give to someone else, such as a puzzle card, refrigerator magnets or a personalised calendar.

b) Carry out your project and make a present for someone you like. If you want to, you can videotape yourself doing it and explain every step in detail.
