

Unit 23 – Getting help

Task 05

- Announcer: On the way to the Austrian embassy the three become lost. A young lady explains the way to the Sky Tower on Reem Island.
- Johannes: Excuse me, could you tell me the way to the Sky Tower? I need the Austrian Embassy. It is said to be on Reem Island.
- Young lady: Sure, I know the Sky Tower. But you better take a taxi. It's quite a long way from here. Tell the taxi driver to cross the bridge over to Reem Island. That street is also called Hazza Bin Zayed Street.
- Johannes: Can you spell the name of the street?
- Young lady: Of course, it is H, A, Z, Z, A, – B, I, N, – Z, A, Y, E, D. (*spelling*)
- Johannes: Ok, I've got that. And what's after that?
- Young lady: Go straight on, after the bridge. On the left-hand side you have Marina Square. Now, at the second set of traffic lights turn right and follow the road until the fourth set of traffic lights. Here, you have to turn left. Keep straight on, as the street curves to the left. Then you first see the Sun Tower. Here, you have to turn right, and before the road curves right, you'll see the Sky Tower on the right-hand side. Do you know which floor the embassy is on?
- Johannes: Yes, the internet says, it is on the fifth floor. Office number 504.
- Young lady: Well then, good luck!
- Johannes: Thank you for your help.
