Hostel reviews

Jamie: Comfort Hostel, Barmouth ★★★★★
The staff was friendly, but the rooms were small. The bathroom was a bit dirty, there was sand from the beach. Great location, 3 minutes to walk and you're at the beach.

Julie: Joe's Hostel, Bristol ★★★
The staff was not very friendly. The rooms are not very clean but very big. The bathrooms are very, very dirty. The location is great, there are discos and restaurants nearby.

Meg: Orange Hostel, Swansea ★
This is the worst hostel we have ever seen. The rooms are small and very dirty. The staff is very unfriendly. The bathrooms are very dirty, too. And the area is not very safe at night.

Daniel: Thames Hostel, Birmingham ★★★★★
The hostel is very cool. The rooms and the bathrooms are small but clean. The staff is very friendly. The location is not great, but there is an underground station near the hostel.

Kristin: Oxford Hostel, London ★★★★★
This is the best hostel I have ever seen. It's in the centre of London. The location is great. There's an underground station in front of the hostel and a supermarket next door. The rooms and bathrooms are very small but very clean. The staff is great!
