

Unit 16 Yes, we have that ...

Task 03

- Announcer: Conversation 1
- Customer: Excuse me, I'm looking for a bag.
- Shop assistant: Certainly madam. This bag is very popular. It opens at the top here like this and the inset in the middle is very elegant. The smooth leather finish makes it look very expensive. The triangular shape is extremely popular right now.
- Customer: Mmm, do you only have it in black?
- Shop assistant: Yes, I'm afraid so. But it is very easy to carry.
- Customer: Let me see. I think, I'll leave it. Thanks.
- Announcer: Conversation 2
- Customer: Excuse me, how much are the headphones?
- Shop assistant: These? They are 39.99.
- Customer: Oh dear!
- Shop assistant: But they're very good headphones for in-ear ones. They're very powerful, but very compact – perfect for the gym, travelling or just hanging out.
- Customer: I can see.
- Shop assistant: If you're looking for a hassle-free set of in-ear headphones, these are an easy pick. The price might seem high, but the performance and ease of use more than make up for the cost.
- Customer: OK, I need a set of earphones to take to the beach, so I'll have them.
- Announcer: Conversation 3
- Customer: Oh no, it's raining! Is this umbrella in the sale?
- Shop assistant: No, only those ones over there – the folding umbrellas.
- Customer: So how much are they?
- Shop assistant: €12.50. That's half price.
- Customer: Oh, it's a bit small.
- Shop assistant: Yes, but it can fit in your bag.
- Customer: OK, I'll take this one.
