

Track 51 – Unit 12/16

Announcer: Put the dialogue into the correct order. Then listen and check if you are right.

Tim: What about playing basketball this Saturday?

Mary: I'm sorry. I don't have time on Saturday. I have to study for the maths test. But let's go to the cinema on Friday evening instead.

Tim: That's a good idea! But Friday evening is impossible. We're going out to a restaurant for dinner. It's my mother's birthday.

Mary: Oh, what a pity. Would Sunday suit you?

Tim: Sunday sounds fine. Which film is on?

Mary: The new *Spider-Man* is out. I've heard it's really good.

Tim: What time do you want to meet?

Mary: Well, the film starts at 8:30 p.m., so how about 8:15?

Tim: Should we meet in front of the cinema?

Mary: All right. See you!

Tim: See you!
