Jess' story
Gernot was <i>jealous</i> of Jess and was mad that she was spending more time with friends from work and vocational school than with him.
He decided to get back at her for making new acquaintances, so he edited their faces into a pornographic picture and posted it on a website.
One of Jess' classmates found the awful picture and showed the others.
They thought Jess was responsible, so they stopped talking to her.
Jess is the victim of an online threat called "revenge porn".
How could she have known that a selfie could go so wrong? What can she do?
