

Unit 19 – Surveying

Task 06. Fill in the missing words from the box.

boundary line – development plan – building class – residential area – area –
property – semi-detached houses – building line

Announcer: Listen to the description of a development and zoning plan.

Narrator: Please draw a sketch with the following information:

The _____ we are looking at is 28 metres long and 20 metres wide. It is located in a _____. To the north of the property is a road. Parallel and a distance of four metres from the road, you find the _____. The property will be subdivided into two parts of exactly the same size. Two _____ will be constructed on each part of the property having a shared wall exactly on the future _____ in the middle of the property. Facing the road, the building starts exactly at the building line. Each house is 11 metres in length and 10 metres in width, thus covering an _____ of 110 square metres. The _____ allows a building with 2 to 3 floors depending on the floor height and the roof structure which corresponds to _____ | or a height of 2.5 to 9 metres.

What does the sketch of this property look like?
