## Saving the planet

### 1 Individual long turn: Our environment

- Compare and contrast the two pictures.
- Discuss the extent to which you agree with the statement that future generations will live in a worse environment than we do.
- Describe three environmental problems and suggest ways in which we can try to tackle them.

### 2 Paired activity: Teen Earth Summit

You and a friend have been asked to give a presentation at the *Teen Earth Summit* on an environmental issue you feel strongly about.

*Discuss the following issues:*

- *the growing demand for energy*
- *our reliance on plastic*
- *the environmental impact of mass tourism*
- *the growing lack of water*
- *an environmental issue of your choice*

*Decide which issue you would like to present.*
